• Provide an original birth certificate.

For instructions on how to obtain a birth certificate, please see our ‘Obtaining a Birth Certificate’ one pager.

*Please note that you do NOT have driving privileges if you have an ID. If you wish to have driving privileges, then you must obtain a driver’s license. Additionally, when you are issued a SC ID card, any driver’s licenses and ID cards previously issued by another state will be invalid.
Obtaining a Birth Certificate

In order to get an ID, you must provide proof of US Citizenship or Proof of Identity. You can do this by submitting the following:

- A birth certificate,
- An unexpired US Passport or US Passport Card,
- Certificate of US Naturalization,
- US government issues Consular Report of Birth Abroad, or
- Certificate of Citizenship.

If you need a copy of your birth certificate, there are many ways to request a copy:

- **Online:**
  - Visit [https://www.vitalchek.com](https://www.vitalchek.com). VitalChek will ask for your current legal name, the state and city you were born in, your date of birth, and the reason you are getting a birth certificate. If you correctly fill out this information, you will not be asked to submit a copy of a valid government, school, or employer issued photo ID. If you incorrectly submit the information, you will be asked to upload a valid ID.
  - The cost to request a birth certificate through this manner is $28.75. Fees must be paid using a major credit/debit card.

- **By phone:**
  - Call 1-877-284-1008. You will be asked to provide information about your state issued ID.
  - The cost to request a birth certificate through this manner is $30.50.

- **In person:**
  - Visit DHEC State Vital Records Office at 2600 Bull St., Columbia, SC 29601. You must provide a completed application form (attached to this document) and a copy of a valid government, school, or employer issued ID.
  - The cost to request a birth certificate through this manner is $15.00.

- **By mail:**

  o The cost to request a birth certificate through this manner is $12.00.

• By drop-off:
  
  o Complete an application form (attached to this document), $12.00, and a valid government, school, or employer-issued photo ID.

The following information is needed to apply for a birth certificate:

• Full name of the parent whose birth certificate is being requested
• Date of birth
• County or city of birth
• Mother/parent’s full name before she married
• Father/parent’s full name (if listed on the certificate)
• Signature of the person requesting the birth certificate and their current mailing address
• The relationship between the person named on the birth certificate and the person requesting the certified copy
• The full name and complete mailing address of the person to whom the certificate is to be mailed, and the area code and daytime telephone number of the person requesting the certificate.

If you are unable to request a copy of your birth certificate due to lack of a state-issued ID, a birth parent may request a copy of your birth certificate, or you can seek legal representation in order to obtain a copy.
You must choose whether you want to get a REAL ID or not. A REAL ID card will have a gold star on it and can be used to board airplanes or enter secure federal facilities. Without a REAL ID, you must have another federally approved identification, such as a valid US Passport or military ID, and show it to pass security at airports nationwide or enter secure federal facilities. You do not need a REAL ID to drive; vote; access hospital care; enter non-secured federal facilities such as a post office; receive federal benefits for which you are entitled (Social Security Administration, Veterans Affairs); or participate in law enforcement investigations or proceedings. Regardless of what choice you make, the cost of a South Carolina REAL ID is the same as a beginner’s permit, license, or ID that is not a REAL ID.

These requirements are for someone who is applying for a first-time SC beginner’s permit, driver’s license, or ID; or was previously licensed in SC and is returning after being issued a license or ID in another state; or when a beginner’s permit, license, or ID has been expired for more than nine months. If you previously held an SC card, you will not need to provide your identity and SSN documents again if a copy of those documents can be located in SCDMV’s files, but you are required to provide at least one updated document with your current address. Please use this checklist as a reference. A. You must surrender any driver’s license, beginner’s/earner’s permit, or ID issued by another state. If a non-commercial license or ID was lost or stolen, you must provide a certified copy of your driving record from the state that issued the driver’s license, beginner’s permit, or ID. However, a CDL holder must get a replacement license from his state of record and surrender it to SC.

B. You must provide the name of your automobile liability insurance company that is licensed to do business in SC (not required for a beginner’s permit or ID). This information is subject to electronic verification. SC Code Section 56-1-80(C)

C. You must provide your social security number (SSN) which will be electronically verified with the Social Security Administration (SSA). The SSN, date of birth and legal name on your application must match the SSA file. 6 CFR Section 37.11(e); SC Code Section 56-1-90

D. You must provide the following original (not photocopies) documents unless otherwise stated. All documents are subject to verification. This list is subject to change at the SCDMV’s discretion. Documents that are not in English must be translated by a qualified translator. The translator must have a letter of verification from their employer on letterhead qualifying them as a translator. The translation must be made on the Translation Document (SCDMV form 4030).

1. Proof of SC address. 6 CFR Section 37.11(f); SC Code Sections 56-1-40(7), -80(3)
2. Proof of US citizenship/proof of identity, date and place of birth. 6 CFR Section 37.11(c), (d); SC Code Sections 56-1-40(7),-80,-90
3. Legal documents supporting name change(s), if applicable. See specific requirements below. 6 CFR Section 37.11(c)

1) US Postal Service letter or item delivered by the US Post Office:
   - Change of address confirmation letter or postmarked US mail with forwarding address label must contain your first and last name, state and zip code.
   - Any postmarked mail showing your name and delivered by the US Post Office to your current address such as: personal letters, or magazines (not advertisements).

m) Parolee letter from parole officer.

n) Letter from director of SC social welfare institution (such as a homeless shelter, battered women’s shelter, halfway house, group home, orphanage) stating you are a resident of the facility.

o) Other documents issued by federal/state/municipal government.

2. Proof of US Citizenship/Proof of Identity and Date of Birth - You must provide one of the following:

   a) Birth certificate with birth/death book, volume, page or tracking number and registrar’s signature issued by the county or the Vital Records Office.
      - Birth certificate from US territory (must be translated if not in English) American Samoa, Guam, Northern Mariana Islands, Puerto Rico (issued after June 30, 2010), and the US Virgin Islands.
      - Delayed birth certificate. If your birth certificate was not issued at time of birth, you can apply for your birth certificate from the Vital Records Office.

   b) Unexpired US Passport or US Passport Card.

   c) Certificate of US Naturalization - USCIS Form (N-550 or N-570).

   e) Certificate of Citizenship (N-560 or N-561).

If your birth certificate shows that you were not born in the United States, you must also provide an additional document from the above list to prove US citizenship.

3. Legal Documents Supporting Name Change(s)
   If your name has changed since birth, you have two options:
   a) Provide a valid unexpired US Passport or US Passport Card in your current legal name as your identity document instead of the other documents listed in #2 above.
   b) Provide the legal document(s) of your name change(linking your name on your identity document (see #2 above) to your present day name. These are examples of legal documents that might support a legal name change: adoption records, copy of marriage certificate or license issued by state/county records office, certificate of naturalization, and court ordered name change. A divorce decree can be used as a name change document if there is a section where the judge ordered your name to be changed.

Records are available for SC marriages between July 1950 and December 2014 at the Vital Records Offices. Contact the probate court that originally issued the marriage license if married before or after these dates. Your name must be updated with the Social Security Administration (SSA) first because the SCDMV is required to verify that your name matches SSA’s files before issuing a credential. You have one opportunity at the time of marriage to change your middle and/or last name. You may not change your name again to a different variation of the married name without a court order.

If you are from a US territory, you must successfully complete the vision, knowledge, and skills tests when applying for commercial driver’s license.
